NEWSLETTER

Head Teacher's Message

Dear Parents, Guardians and Students,

A very warm welcome to the new academic year. September is always a time of fresh beginnings, renewed energy and exciting possibilities. It has been a pleasure to see our pupils return with such enthusiasm and to welcome our new Year 1 students, who are already settling into school life with confidence and curiosity.

The newsletter will provide a regular opportunity for us to share important updates, celebrate pupil achievements and showcase the wide range of opportunities, activities and events taking place across our School. It is also a way of keeping you connected with the learning, creativity and accomplishments that make PASCAL Private Secondary School Lemesos such a vibrant and dynamic community.

As we begin the new academic year, our focus is on building strong foundations for success. We aim to encourage positive learning habits, set ambitious goals and ensure that every student feels supported, challenged and motivated to achieve their full potential. I am proud of the commitment and dedication demonstrated by both our staff and students, and I look forward to seeing the progress, achievements and opportunities that the year ahead will bring.

Thank you for your continued support and partnership. Together, we can make this a year of growth, success and memorable experiences for all our young people.

Wishing everyone a happy, productive and successful academic year!

Yours sincerely,

Victor Antoniou

Back to School!

Our teachers are back, and the countdown to the new school year has officially begun!

Educational planning, collaboration, the exchange of ideas and new goals are all at the heart of our preparations as we get ready for a strong and inspiring start.

With renewed energy, creativity and a shared vision, we look forward to welcoming our students back and making the year ahead one filled with learning, inspiration and opportunities to grow.

Ready to inspire. Ready to create. Ready for a new beginning!

EYP Delegates

We are incredibly proud of Arnav Gokhale, Ceciltan Catalin, Elias Masri and Michaella Christodoulou for representing our school at the 20th National Session of EYP Cyprus!

From August 23rd to 27th, 2026, our students joined peers from across the country at the National EYP session in Pyla. Under the theme "Reflecting, Adapting, Leading: Working towards a Sustainable Europe," they engaged in vital discussions, collaborated on policy, and demonstrated true leadership.

Well done to our delegates for their dedication and commitment to building a sustainable future!

Big Brother / Big Sister

On 9th September 2026, our school was filled with excitement, smiles and a wonderful sense of community as we welcomed our new Year 1 students on their very first day of school.

A special part of this memorable day was the introduction of our Year 1 and Year 6 Big Brother/Big Sister programme. This initiative gives our youngest students the opportunity to build a special friendship with an older student who can support, guide and encourage them throughout their first year at school. Our Year 6 students proudly stepped into their new roles as Big Brothers and Big Sisters. They welcomed their Year 1 buddies with kindness and enthusiasm, helping them feel comfortable and confident as they began this exciting new chapter. To make the induction experience even more exciting, our four Houses—🟢 Demetra, 🔵 Poseidon, 🔴 Artemis and 🟡 Apollo—rotated around four fun-filled activity stations. At the Football Field, students took part in Human Bingo, giving them the opportunity to discover interesting facts about one another and make new connections. They also worked together on a Scavenger Hunt and Buddy Escape Clues challenge, solving puzzles and completing tasks as a team. The students also enjoyed the House Photo Challenge, where they had the opportunity to capture creative and memorable team photographs while showing off their house spirit. Throughout the morning, the activities provided the perfect opportunity for our Year 1 and Year 6 pupils to interact, cooperate, and form new friendships. More importantly, they helped create a strong sense of teamwork, communication, belonging, and house spirit, while bringing older and younger students together. For our Year 1 students, having an older buddy provides a friendly face they can turn to, while our Year 6 students have the opportunity to develop important qualities such as responsibility, leadership, empathy, and care for others. The Big Brother/Big Sister programme is much more than simply a welcome. It is about friendship, kindness, and belonging. We hope that these special relationships will grow throughout the school year and become a treasured part of both the Year 1 and Year 6 experience. We are incredibly proud of our Year 6 pupils for embracing their new responsibilities and of our Year 1 students for beginning their school journey with such enthusiasm.

We would like to thank our House Coordinator, Ms. Marina Elias, our Assistant Head Teacher, Ms. Nicoletta Kinigou, Mr. Orestis Makrides (Form Y6B) and our House Masters, Mistresses and Deputies, Mr. Christos Savva, Mr. Antonis Pierides, Mr. Valentinos Mouzouras, Mr. Demetris Kaouris, Ms. Elena Kyriacou, Ms. Efi Aristotelous, Mr. Demetris Voutounos, Mr. Theodoros Constantinou, Mr. Omiros Miltiadous, Ms. Maria Papaevripidou, Ms. Ephie Christodoulides, Ms. Clara Batah and Ms. Elisavet Savva.

Prefects

During the first Year 6 Assembly of the school year, the students selected as Prefects for 2026–2027 were announced. This year, our Prefects will take on renewed roles and responsibilities, playing an even more active part in school life.

Congratulations to all the students taking on these important roles! We wish them a rewarding and inspiring year, filled with new experiences, initiative and opportunities to make their own mark on our school community.

Central Students' Council

The Central Students' Council represents the views and interests of the student body and provides students with opportunities to develop leadership, responsibility and teamwork skills.

It consists of 12 student representatives from the different year groups, including elected Class Presidents and honorary representatives appointed by the Teachers' Council. The Council elects a President, Vice-President, Secretary, Treasurer and Assistant Treasurer, with only Year 6 Class Presidents being eligible for the positions of President and Vice-President.

The Council meets regularly, keeps signed minutes of its meetings, supports school activities and initiatives, and operates under the supervision of the Assistant Head Teachers and the Head Teacher. Its decisions should reflect the views of the majority of students and are subject to the School's approval.

IB Presentation

Ms Despina Mavrikiou, Head of PASCAL Greek School, Academic Advisor and IB Coordinator of our Schools, delivered a professional development seminar for our teaching staff, aimed at providing a deeper understanding of the philosophy, principles and key dimensions of the International Baccalaureate (IB).

During the seminar, the educational value of the programme was highlighted, along with the important role it can play in students' holistic development by fostering critical thinking, independence, responsibility, inquiry-based learning and international-mindedness.
Particular emphasis was placed on the IB Learner Profile and on the skills and attitudes it seeks to cultivate, enabling students to develop not only academically, but also as active, reflective and responsible citizens who respect diversity, remain receptive to different ideas and perspectives, and embrace lifelong learning.

Through professional development initiatives such as this, we strengthen a shared educational vision among our teaching staff and reaffirm our commitment to providing a modern, high-quality and student-centered education that goes beyond the acquisition of knowledge and prepares students to face the challenges of an ever-changing world with confidence, critical thinking and responsibility.

Celebrating the European Day of Languages at PASCAL Private Secondary School Limassol!

What a wonderful celebration of languages, cultures and diversity!

Our school marked the day with an exciting journey across Europe, bringing together students and teachers through a variety of interactive language and cultural booths.

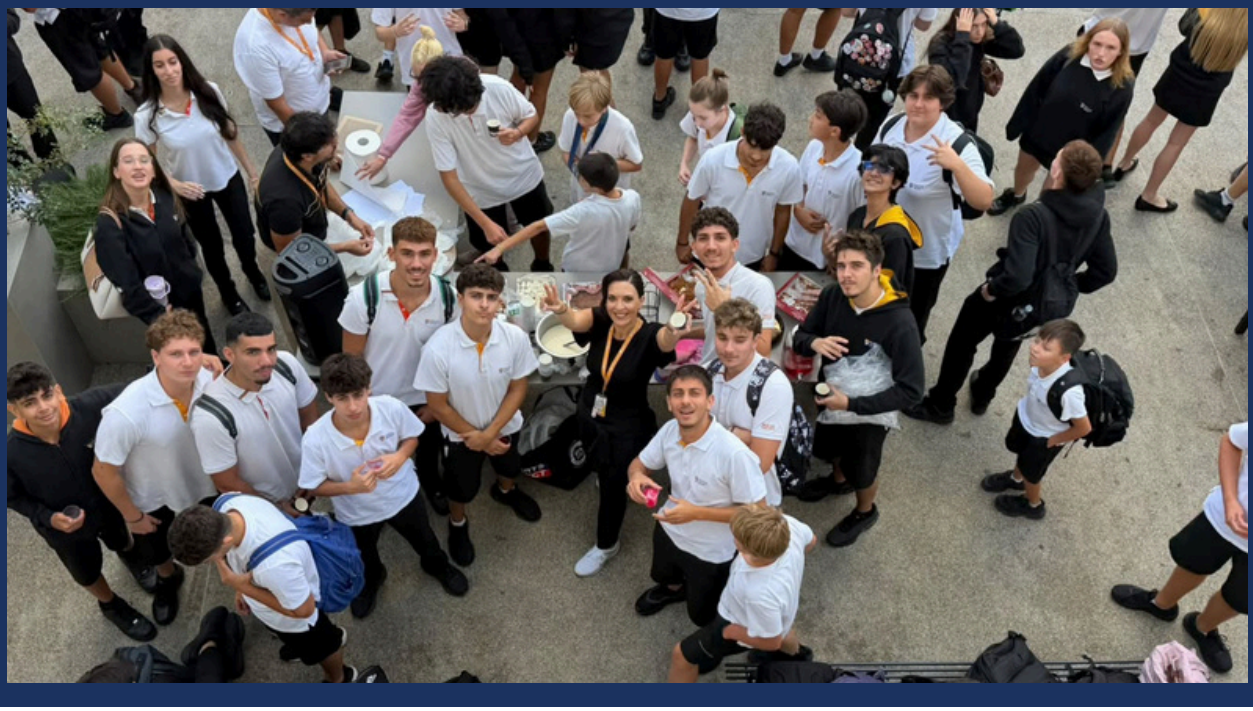

Greek, English, French, Spanish, German and Ukrainian were all represented, giving our students the opportunity to explore different languages, traditions and cultures.

From tasting delicious traditional treats — including French croissants, German pretzels, Ukrainian desserts, and Greek and Cypriot delicacies — to taking part in engaging activities, there was something for everyone!

SEMINARS

Our teachers took part in a series of professional development seminars focusing on Safeguarding, Health and Safety, and modern approaches to differentiated instruction.

The Safeguarding sessions focused on protecting and promoting students' safety and wellbeing, while the Health and Safety training reinforced the importance of maintaining a safe and responsible school environment.

Through meaningful training, the exchange of experiences and the sharing of good practices, our educators had the opportunity to further develop their knowledge and teaching strategies, enabling them to respond more effectively to the diverse learning needs of their students and foster a safe, supportive and inclusive learning environment.

For us, professional learning never stops. The continuous development of our educators is a key part of our educational philosophy and our ongoing commitment to providing students with meaningful, high-quality learning experiences.

Welcome Event

On Wednesday 16th September, we welcomed our parents to a warm and engaging meeting with our teachers.

It was a wonderful opportunity to get to know one another better, exchange thoughts and further strengthen the connection between school and family.
