

Monday, 7 September 2026

Dear PASCAL Parents,

We hope that you and your family have had a wonderful summer holiday.

As we celebrate our first week of welcoming children through the doors of **PASCAL Private Nursery & Kindergarten Lemesos Hills**, we would love to invite you, your friends, and your extended family to join us for a special **Come & Play Event**.

This relaxed and friendly gathering is designed for families with children aged **0-3 years**, offering an opportunity to explore our beautiful nursery environment, meet our dedicated team, and discover what makes our setting such a warm and nurturing place for young children to grow and learn.

During the event, parents will see a short presentation, meet the school's medical advisor as well as the school's nutritionist, while children are invited to play, explore, and enjoy our spaces in a fun and welcoming atmosphere.

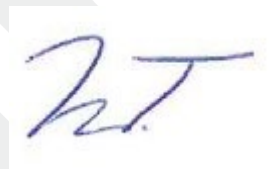

As valued members of the PASCAL community, you may know families with young children who are beginning their search for the right nursery. Feel free to share this invitation with anyone who may be interested in learning more about our nursery!

We believe that the best way to experience our setting is to step inside, meet the team, and see our learning environment in action. Whether you are considering a place for a younger sibling or simply know someone who may benefit from attending, we would be delighted to welcome them.

We look forward to opening our doors to more families, making new connections, and sharing this exciting new chapter with our wider PASCAL community.

Should you wish to attend or require any further information, please book your place here:

[Come & Play at PASCAL Lemesos Hills \(ages: 0-3\)](#)
