

Letter to Parents no. 3 / 26-27

Monday, 3rd August 2026

Subject: Optional Extended Day Programme

Dear Parents and Guardians,

Our Optional Extended Day Programme will continue to be offered during the 2026–2027 academic year. The programme is available to all year groups and includes Academic/Homework Support and Afternoon Activities running across two daily sessions:

- Session One – 14:25 – 15:45: Students can choose between Academic/Homework Support and Afternoon Activities
- Session Two – 16:00 - 17:45: Afternoon Activities

Read carefully all information provided below and fill in the relevant form clicking the correct link.

Academic/Homework Support – 14:25 – 15:45

YEARS 1-3

For Years 1-3, this valuable programme is designed to enhance your child's academic progress by providing structured, teacher-guided support in the core subjects - **Mathematics, English, Modern Greek/GFL and Science**. Pupils will have the opportunity to consolidate their learning, complete homework efficiently and reinforce key concepts through targeted revision and carefully selected supplementary materials.

By participating in this programme, pupils will benefit from:

- **Individualised academic support** in a focused learning environment
- **Consistent reinforcement** of classroom teaching
- **Improved confidence and independence** in managing academic responsibilities
- **Daily access to subject teachers**, who will help clarify doubts and deepen understanding

We are confident this programme will contribute meaningfully to your child's academic success and overall learning experience.

The cost for the 2026/2027 academic year is **€1,125**, payable in **two equal instalments** (October and January).

The programme will commence on **Thursday, 10th September 2026, from 14:25 to 15:45**.

YEARS 4-6

For Years 4–6, pupils will benefit from dedicated support sessions designed to strengthen their academic foundation across both core subjects - **English and Modern Greek/GFL** - and their **elective subjects**.

With the guidance of our experienced teachers, pupils will have the opportunity to:

- Review and reinforce key learning from recent lessons
- Complete homework with support, ensuring better understanding and accuracy
- Engage in targeted practice through additional worksheets to deepen comprehension and improve essential skills

These sessions aim to foster greater academic confidence, encourage independent learning habits and support pupils in reaching their full potential in a structured and supportive environment.

The cost of the Academic/Homework Support for the 2026/2027 academic year is **€1,125**, payable in **two equal instalments** (October and January).

The programme will commence on **Thursday, 10th September 2026, from 14:25 to 15:45**.

	Psychology 4	English Literature 4
		Business

Afternoon Activities 14:25 – 15:45 and/or 16:00 – 17:45

This initiative is designed to provide pupils across all year groups with enriching opportunities to explore a wide range of activities, including language learning, mathematics, sports, music and more. Pupils may select from a diverse selection of activities that cater to various interests and promote the development of important skills. The programme aims to support the holistic growth of each child, helping to cultivate their talents and enhance their personal and academic profiles. Many of the activities also offer pathways to earn official certifications or

diplomas issued by recognised external institutions. Participation not only enriches pupils' experiences but also adds value to their resumes and university applications.

The cost for Clubs for the 2026–2027 academic year is **€1,300 for the First Session** and **€1,400 for the Second Session**, payable in two equal instalments in October and January.

The programme will commence on **Monday, 14th September 2026**. Pupils may choose **between 1 and 5 days, with one activity per day**.
