

Subject: Launch of the New Online Book Ordering Platform

Dear Parents and Guardians,

We are pleased to announce the launch of our new [Online Book Ordering Platform](https://books.globeducate.ac.cy) (<https://books.globeducate.ac.cy>) on **Monday, 24 August 2026**.

You will be able to log in using the unique credentials assigned to each pupil, which will be sent to you shortly via SMS. Please note that a separate order must be placed for each child.

The platform has been designed to provide a convenient and efficient way for families to order schoolbooks, educational resources, and other items such as digital subscriptions, consumables, diaries, and related materials.

Orders may be delivered through **ACS Courier Stations**, **ACS Smart Point Lockers**, or **ACS Door-to-Door**, according to your preference during checkout. Delivery charges will be calculated automatically based on the total weight of the books and other items ordered, together with the selected delivery method.

Should any books or other items be temporarily unavailable at the time of ordering and subsequently supplied as back orders, they will be delivered free of charge once they become available.

The ordering process has been tailored to each year group to ensure that parents and guardians can easily select all required materials for their child. When you access the platform, you will be presented with the prescribed book list for your child's year group, together with any additional items required for the academic year. Depending on the year group, these may include digital subscriptions, consumable materials, diaries, and other educational resources.

Certain items, such as digital subscriptions and consumables, are compulsory and are therefore pre-selected automatically. This approach ensures that all required educational materials can be ordered through a single, streamlined process.

To simplify the ordering process, books and educational materials are organised into categories and subcategories, according to the academic requirements, as explained in the **Appendix: Understanding the Book Categories**.

To ensure timely delivery before the start of the academic year, we strongly encourage you to place your order by the **end of August**. Delivery is expected within **3 to 5 working days** from the date of order, depending on the delivery method selected.

Payments will be processed securely through the **JCC Payment System**.

Returns and Refunds

We would also like to draw your attention to our returns procedure. Should you wish to return any books or other items, these must be returned to the School Reception, where their condition will be inspected before any refund is approved. To be eligible for a refund, items must be returned:

- Unused and in their original condition;
- Free from any writing, markings, labels, damage, or signs of wear; and
- Accompanied by proof of purchase.

Approved refunds will be credited to the pupil's **fees card account**.

Please note that if additional books or items are required after an order has been completed, these must be purchased through a new order on the Online Book Ordering Platform and cannot be obtained through the returns process.

To avoid placing additional orders and incurring extra delivery charges, we strongly recommend that you carefully verify your selections before completing your order, particularly for **Major Elective Subjects** and **Greek as a Foreign Language** courses. The selected Major Elective Subjects and the level of Greek as a Foreign Language may be confirmed with the School Secretaries before an order is submitted.

We trust that this new service will simplify the book ordering process and enhance convenience for all families.

Should you experience any technical difficulties with the platform, please contact us at eshop@globeducate.ac.cy or by telephone on **+357 22 50G 148**.

For any other enquiries, including access to the platform, login credentials, Major Elective Subjects, or the level of Greek as a Foreign Language, please contact the School Secretaries.

Kind regards,

The School Administration
